

# GEC Dual Diploma Program

## Prep Course

This course takes students from any language level and levels-up their skills for DDP entry proficiency. If a student's improvement is slow, the course is structured to advance language skills to U.S. University entrance level.

### COURSE INSTRUCTIONS

#### Before Live Class

1. Prepare notes by writing all questions and answers in short form.
2. Complete the Self Study Problems for the upcoming class.

#### After Live Class

1. Complete a writing assignment based on the live class.
2. Complete Self Study assignments.

*Students require one or two weeks of orientation in order to take on the entire course cycle. GEC teachers will address student orientation at the appropriate time during orientation period.*
